

Remarks and Conclusion

Amendments to the Specification

Applicants have amended the specification to correct typographical errors and to correctly display trademarked names. A substitute specification without claims or the Abstract has been filed herewith along with a marked-up copy of the specification. No new matter has been introduced by these amendments. Applicants believe that the substitute specification is fully compliant with 37 C.F.R. § 1.125.

Applicants have amended the Title in the substitute specification, and the Abstract in this paper.

Status of the Claims

Claims 39, 49, 50, 66, and 68 have been allowed. Applicants have amended claim 66. The amendment of claim 66 is an amendment of the form of the claim only, and does not introduce new matter, or raise any new issues.

Conclusion

Applicants respectfully request the entry of this amendment under 37 C.F.R. § 1.312 after issuance of a notice of allowance.

If the Examiner has any questions or concerns, the Examiner is invited to telephone the undersigned attorney at (415) 954-0397.

Respectfully submitted,
